on the application by analogy of the Commission Decision on working time and hybrid working

THE GOVERNING BOARD OF THE GLOBAL HEALTH EDCTP3 JOINT UNDERTAKING,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) 2021/2085 of 19 November 2021 establishing the Joint Undertakings under Horizon Europe, and in particular Article 17 (2) (v) thereof,

Having regard to the Staff Regulations of Officials ('Staff Regulations') and the Conditions of Employment of Other Servants of the European Union ('CEOS'), laid down by Council Regulation (EEC, Euratom, ECSC) No 259/682, and in particular Article 1e(1) and (2), Article 55 and Article 110(2) of the Staff Regulations, and Articles 10, 16, 80 and 91 of the CEOS,

Having regard to communication C(2014)6543 final of 26 September 2014 from VicePresident Šefčovič to the Commission on the guidelines on the implementation of Article 110(2) of the Staff Regulations with regard to the implementing rules applicable in the agencies, and in particular section 3.1 thereof,

Having regard to the fact that the Staff Committee of the Global Health EDCTP3 Joint Undertaking, which is to be consulted pursuant to Article 110(2) of the Staff Regulations, has not yet been constituted, it is impossible at the present to comply with the requirements of that provision. The Staff Committee will be invited to give its opinion on these implementing rules when it has been constituted and due consideration will be given to its opinion. The Governing Board is entitled in such circumstances to approve the rules forthwith,

WHEREAS:

- 1) In application of Article 110(2) of the Staff Regulations, implementing rules adopted by the Commission to give effect to the Staff Regulations shall apply by analogy to the agencies nine months after the date of the notification from the Commission or enter into force at an earlier date as per subparagraph 2 of Article 110(2) of the Staff Regulations,
- 2) The Standing Working Party (SWP) has informed the agencies that a specific model decision more adapted to the agencies will be developed. The Global Health EDCTP3 Joint Undertaking should evaluate this decision once adopted and make appropriate follow up, as necessary. In the meantime, it is recommended that the Commission Decision C(2022)1788 of 24 March 2022 on working time and hybrid working enters into force.
